## CATERING

### CORPORATE CATERING MENU

# Rascals Catering Made Simple

---

## Step 1

**Select your menu!** If you don't see what you are looking for, contact our Catering Manager to discuss a custom menu for your event. Just because it is not on the menu here does not mean we can't make it for you! All buffet menus are adjustable as starches, vegetables, salads and desserts can be added or substituted. Some substitutions may require an additional charge.

## Step 2

**Place your order** via phone or email with your menu selections, guest count and any special dietary requests. If you are unsure about how much to order or how to handle your guests special dietary needs we can help! The catering manager will work up a proposal with all the details and get it back to you ASAP for your review.

## Step 3

**Sign the proposal** and send it back to confirm and reserve your date/time. Final guest counts are due 72 hours before your event. Full payment is due by the day of the event. We accept cash, checks or credit cards.
